

BASE Camp

2019 SUMMER CAMP

What Does Summer Camp at BASE Camp Look Like?

Our goal is to provide a fun and engaging place for your kids to spend their summer days. Each day will be filled with different components, but we'll maintain a consistent schedule so kids and families know what to expect. Our small environment (maximum of 60 kids per day), allows us to focus on building relationships with the kids and families in our program. Every special event will be unique and exciting, enrichment clubs will be fun, engaging, and educational, and we will offer something that kids can never have enough of: freedom of choice. Check out the core components of our program below:

Enrichment Clubs

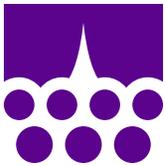

Twice a week, we will offer one-hour enrichment clubs. These clubs will be led by staff and based on the interest of the group. Some topics may include: leadership, sports, art, nature, science, reading/book, music, drama, movement, Pokemon, spy club, etc.

Clubs will be rotated on a regular schedule throughout the summer. If a club has a lot of interest, it may be extended and special activities, guests may be added. If a club has low interest, we can skip or conclude it early. Enrichment clubs allow for our staff to share the passion and expertise that they have outside of camp with kids!

Swimming

What summer is complete without some fun in the sun?! We will swim at the Winona pool twice per week throughout the summer!

Special Occasion Activities

One day per week, we will have a special activity. Special Activities could include an outside presenter, movie and popcorn, Water Play Activities, Drive-In Movie, Pizza! and more.

Summary- We want to build relationships with kids and families in a welcoming and close environment where they feel safe. We will also always have something fun and engaging to do every day. Every special event will be unique and exciting, the clubs will be fun, engaging, and educational, and we will offer something that kids can never have enough of; freedom of choice.

Classroom / Outdoor Structured Activities

Each day, kids can choose to participate in a planned activities with options to participate in a group project or game. Children will be given options to be outdoors (weather permitting) or indoors, as well as

Discovery Play in Small Groups

In the early morning and late evening the kids will be able to choose what they want to play with and which activities they want to do. We will offer a variety of play stations, and children can choose the small groups they want to engage with.
